

SNOWY LAKE'S STUD SERVICE CONTRACT

Terms of Contract:

1. Stud fee is \$1000.00 for **all** puppies having Limited AKC registration and \$1500 if any of the puppies request Full AKC registration or pick of the litter. Full AKC registration will require approval from both Stud and Bitch owners. Pick of the litter is defined as pick of all puppies before any puppy leaves the litter. Pick of the litter will be accompanied by its Full AKC registration application and have no restrictions or requirements from the Bitch owner. Half (1/2) of the stud fee will be required at the time the Bitch is delivered for breeding, with the remaining 1/2 due no more than five (5) days after litter is born. Personal check, Venmo, or cashiers check are acceptable forms of payment and need to be cleared before Stud owner will sign AKC litter registration.
2. If only **one** live puppy is produced Stud fee will be prorated to \$800.00 and if pick of the litter was agreed upon the Stud owner will not exercise this option but opt for the prorated amount of \$800.00.
3. **ONLY** natural breeding will be done and the Bitch will be exposed to Stud twice with ideally a day of rest in between. Stud Owner highly recommends progesterone testing prior to breeding.
4. Prior to breeding Stud Owner will provide Bitch Owner with the following:
 - AKC Registration Certificate
 - OFA Certification numbers
 - Genetic Testing results
 - Negative Brucellosis within 10 days of breeding
 - Record that Stud is up to date on vaccinations
5. Bitch Owner will provide Stud Owner with a copy the same information as stated above before any breeding takes place.
6. Bitch Owner agrees to submit and register the resulting litter with the AKC within two weeks of birth. Bitch Owner will also provide Snowy Lake's with a copy of names, addresses, phone numbers, and email addresses of all puppy purchases for record keeping.
7. Stud Owner agrees to breed Bitch at her next heat within 12 months at no additional cost if breeding does not result in at least one (1) live puppy. To receive the return service, the Bitch Owners must notify the Stud Owner of failure to conceive no more than 70 days following the breeding. If Bitch fails to conceive and is not bred within 12 months or is bred to a different Stud the contract is terminated and Stud fee will be retained.
8. Every effort will be made to provide a safe and comfortable environment. However, in breeding animals, there is always a risk that one may be injured during the process. Under no circumstances will the Stud Owner or Snowy Lake's be held legally or financially responsible

for any damage caused by or to the Bitch up to and including loss of Bitch. To ensure the safety of both animals the Bitch will be required to wear a gentle lead or muzzle at the time of breeding.

9. Bitch Owner warrants that the Bitch has not been exposed to any other Stud from the start of her heat cycle and following breeding until her breeding season is complete.
